- (12) The work related to providing telephone service to Building [REDACTED] is progressing satisfactorily. A separate one-hundred pair cable will be provided to furnish Agency service at this location. Per Agency instructions, there will be no multiple appearances of these cable pairs. C & P Telephone Company and General Service Administration have been furnished a construction completion date of 6 June 1963. Station equipment service orders and supporting wiring diagrams for the occupants are now being prepared by this office.
- (13) Headquarters Building - Two coin operated public telephones were installed inside the double doors entering the Auditorium from the tunnel. The telephone company will provide public telephone signs which will be placed at the bus stop and tunnel areas directing employees to this location.
